Committee Meeting Report

Committee: Chapter Archives          Date: February 15, 2010
Chairman: Jo-Carolyn Goode          Co-Chairman: Andrea Bonner
Mode of Communication: Teleconference  Numbers of Members Present: 8

Committee Members Present: Andrea Bonner, Beverly Maddox, Faye Bryant, Jo-Carolyn Goode, LaDonna Harris, Lavada Rollins, Tamara Cubit, and Teresa Bolden

Goal: To preserve the history of the Alpha Kappa Omega Chapter and maintain records

*Storage: The chapter’s current storage is filled to capacity. Sorors Tamara Cubit and Yavaunda White have been made aware of the size increase that is needed. Due to the chapter’s budget having already been approved, it will be difficult to find the extra money needed to fund a larger storage area.

*History Project: Soror Jo-Carolyn Goode introduced a history project called Pearlific Pearls as a source of teaching new sorors and refreshing the seasoned sorors the history of the chapter. At each sorority meeting, sorors will be asked to nominate two sorors with a unifying link to be honored. One of the sorors will be featured as a “flashback.” She will be an ivy beyond the wall or one who is no longer a member of Alpha Kappa Omega. The other soror will be a current member of the chapter, a “flashforward.” The sorors to be honored will be chosen by the archives committee.

*The African American History Museum at the Gregory School: Soror Faye Bryant spoke about the chapter becoming a friend of the museum and housing our history there. The committee will identify what needs to be included in the museum collection by sorting through the archives in our storage. We will also collect history from different sorors who may have records in their homes. The committee will make a list of what is needed and distribute it to sorors so that our history in the museum will be more complete.

Soror Bryant is to provide an oral history at the museum tentative scheduled for February 23, 2010. She suggested that the committee ask other sorors in the chapter to provide an oral history as it relates to Houston and our chapter.

*Alpha Kappa Alpha Sorority, Inc.’s Corporate Office: As the committee is collecting information for the African American History Museum, we will also solicit information to be sent to the corporate office. Soror Bryant said that corporate already has quite a lot of information because she sends it to them often.
